Professional Pressure Washing Services

About Us

JM Pressure Washers is a pressure washing company that has been serving the Inland Empire and the surrounding community for many years. We specialize in residential and commercial power washing services. There is no job too big or too small for us, and we treat all our customers by the golden rule: we are not happy until you are happy.

Our other services include graffiti removal, window cleaning, gutter cleaning, solar panel cleaning, and roof cleaning. Additionally, we will power wash your gas station floor, parking lot, and everything in between. Our washes are not a quick once-over, but rather deep, thorough cleanings to make your property look as new as possible.
